Course Description:

Builds on skills in reading and speaking Japanese developed in earlier courses. This course bridges between the elementary and intermediate level. Students gain increased vocabulary and familiarity with more extensive grammatical structures and will be able to communicate in Japanese regarding non-specialized topics.

Learning Outcomes:

- Build more diverse vocabulary necessary for daily conversational situations.
- Acquire more advanced grammatical constructions for richer expressions.
- Raise oral proficiency (e.g. Novice High/Intermediate Low on the OPI guideline).
