

## **Statement of Principles on Research Involving Indigenous Communities**

Responsibility: Vice-President, Academic

Effective date: January 25, 2019

Supersedes: new

Approved by: FASS; FT

---

### **Statement:**

Acknowledging the colonial relationship with Indigenous communities at the heart of the long history of this institution in particular, and the academic research enterprise globally, researchers at Huron University College commit to conducting and disseminating research related to Indigenous communities from a position of partnership and mutual respect, recognizing Indigenous ownership and control.
