

## Student Application Form – Experiential Learning Grant

**Experiential Learning Grants** support Huron students in their volunteer activities, ranging from work with primary school students both at home and abroad to promote literacy, and with NGOs locally and abroad to improve local communities. In addition, the grants provide community-based learning opportunities for Huron students to combine academic study with hands-on volunteer experience to further their academic knowledge in the context of community engagement. Huron students benefit from the experience themselves as they become young adults and prepare for future positions of responsibility and citizenship.

**Eligibility:** To apply, you must be a full-time Huron student returning to Huron after your experiential learning and volunteer opportunity.

**Instructions:** Please include all required information, as indicated below, on a separate Word document and submit the completed electronic application and any attachment(s) to the Student Awards Committee, c/o [kstankev@huron.uwo.ca](mailto:kstankev@huron.uwo.ca).
