Terms of Agreement:

1. In applying for the vehicle permit indicated on this application, I hereby agree to assume all responsibilities for the vehicles registered herein and to adhere to Huron University College and Western University parking rules as amended from time to time. I acknowledge having received a copy of these rules. I further certify that I am in possession of a valid driver's license and that the vehicle being parked in the Huron lot is properly licensed and insured.
2. I acknowledge and agree that the vehicle permit assigned to me will be utilized only for the vehicle(s) I have registered under the vehicle permit. Any misuse of the vehicle permit, including but not limited to using it to allow a vehicle not listed under this permit to park, is a violation of this agreement and may incur fines or have parking privileges revoked indefinitely.
3. Violations of the Parking Rules could result in the withdrawal of parking privileges AND sealing of student records. Unauthorized or improperly parked vehicles will be ticketed and/or towed at the owner's risk and expense.
4. Parking passes are to be displayed on the inside of the vehicle's front windshield so as to be clearly visible from the exterior of the vehicle. Both parts of the parking permit, including gate cards and passes, remain the property of Huron University College and are issued for the sole use of the applicant while affixed to the vehicles described in the application. Permit materials found or otherwise recovered must be returned to the Huron Parking Office. There are substantial penalties for misuse of permit materials.
5. It is the responsibility of the applicant to remove or destroy any pass permanently affixed to any vehicle that has been repaired, sold, or otherwise disposed of.
6. Forgery, Fraud, and possession of lost or stolen property are criminal offences. Vehicles displaying altered permits, or permits listed as lost or stolen, will be ticketed and towed on sight, and owners will be liable for all charges.
7. The Huron University College parking facility is monitored through contract with Western University Parking Division. Any issued fines or permit violations must be paid or appealed through that department. Refer to: http://www.uwo.ca/parking/infractions/regulations/parking_infractions.html for a listing of all violations and fines.
8. Disabled cards and any associated fees will be dealt with at the Huron Parking Office.
9. Huron University College assumes no responsibility for damage or loss to vehicles or contents, however caused, while parked on Huron property.

Faculty/Staff: Purchasing a parking permit does not guarantee a parking space in the faculty/staff lot. If the faculty/staff lot is full, you must park in the student lot. Any fines received for parking illegally will be your responsibility.

All permit holders: Please note that a parking permit does not guarantee you a parking space, particularly in winter.
