Course Description:

This course presumes no prior knowledge of business administration. It is required by other faculties for some of their programs and is the only university prerequisite for entrance into the Honors Business Administration program at Ivey Business School. Students will learn how to develop financial statements and assess their uses and limitations. Students will also learn various quantitative and qualitative decision-making tools and apply these tools using case studies. An emphasis will be placed on smaller businesses and the course will be highlighted by an entrepreneurial feasibility study.

Learning Outcomes:

1. Analyze and record accounting transactions.
2. Prepare and analyze financial statements using current accounting methods.
3. Apply analytical management tools that assist in business decision-making, often with incomplete or imperfect information.
4. Assess the feasibility of undertaking a new business enterprise.
5. Demonstrate effective written and oral communication skills.
6. Demonstrate expected workplace behaviour; for example, participation, leadership, collaboration, engagement and attendance.
