Course Description:

An integrated model of congregational and leadership development. Students are introduced to a wide range of competencies developed for leading congregational change and missional development. Course seminars and professional literature will integrate knowledge of congregational and leadership functioning, planning and change process, collegiality and consultative responsibilities. Students will practice basic congregational consulting, drawing on organizational development, leadership studies, and systems theory. Students will integrate missional principles within a theological understanding of congregations and leaders.
