PSYCHOL

3696G 550

**Instructor Name(s):** Irene Cheung

**Instructor Email(s):** icheung5@uwo.ca

Disclaimer: Information in the brief course outline is subject to change. The syllabus posted on OWL is the official and authoritative source of information for the course.

### Course Description:

This seminar considers psychological theory and research relevant to successful mentorship in the research process. Students will apply their knowledge about mentorship through engagement with first-year students in a research project.

### Learning Outcomes:

Apply psychological research skills to manage a group research project

Communicate complex research problems and solutions to different audiences

Learn to collaborate in small groups to produce concrete deliverable outcomes

Learn to collaborate in small groups to produce concrete deliverable outcomes
