Disclaimer: Information in the brief course outline is subject to change. The syllabus posted on OWL is the official and authoritative source of information for the course.

Course Description:

This course provides students who have a basic knowledge of spoken Hebrew as well as grammatical structures with a more in-depth study of the language.

students will learn to understand and produce texts in modern Hebrew through exposure to literature, poetry, music, movies and everyday conversations. Each lesson emphasizes all four language skills (comprehension, conversation, reading and writing) so that students will become more familiar and comfortable with using their language skills.

Learning Outcomes:

Oral Communication - understand main ideas in discussions on a variety of topics as well as expand and effectively use precise and varied vocabulary.

Reading Comprehension - understand various Hebrew text from different sources.

Written Expression - produce narrative and descriptive writing. Some examples are - a poem, essays and a book report.

Textbooks and Course Materials:

Hebrew From Scratch 2

Various handouts of readings, vocabulary and grammar
