

Huron University

Identity/Login Activation

As a Huron University Applicant/Student, you have the following credentials. You must first obtain each to successfully complete your 'Identity/Login Activation' or 'Reset a Password.'
Please see below how to obtain each;

- **Student Number:** 9 digit numeric value, generally beginning with 250 or 251. To obtain this;
 - o Applicants: This can be found in an initial email from Huron or on your Letter of Acceptance
 - o Students: This can be found on your Student Card or email huron@uwo.ca
- **Access Code:** an Access Code is secure unique value generated for you to activate/reset your identity. To obtain this code;
 - o **OUAC Applicant:** Please visit the following link with your Huron Student Number (9 digit value can be found on your Letter of Acceptance) and OUAC Number (10 digits beginning with the year; YYYY-NNNNNN) to obtain your 4 digit Access Code, click [here](#).
 - o **Huron Admission Applicant:** Please contact admissions@huron.uwo.ca to obtain your 4 digit Access Code
 - o **Huron Student:** Please contact the Office of the Registrar [here](#)
- **User ID:** a 6-8 alpha value, generally consisting of your first/last name. This value is the prefix of your Huron/Western Email Address (UserID@uwo.a)
 - o Applicants: This can be found on your initial emails from Huron Admissions, can be retrieved [here](#) or through contacting admissions@huron.uwo.ca
 - o Students: Please click [here](#) to retrieve your UserID or contact huron@uwo.ca

- - - - -

Please follow the steps below to complete the 'Identity/Login Activation' and/or 'Reset a Password.'

Identity/Login Activation:

Once you have successfully obtained your Huron Student Number, Access Code and UserID, you can activate your Western Identity.

To Activate your Western Identity, please visit; <https://identity.uwo.ca/activate-he?0>

Reset a Password:

To Reset a Password, please visit <https://identity.uwo.ca/reset-my-password?1>
