Understand Our Complex World

Huron
UNIVERSITY

EXPLORE HOW RELIGION

INFLUENCES LIFE & CULTURE

WHY STUDY RELIGION?

WHETHER OR NOT YOU THINK OF YOURSELF AS SPIRITUAL OR RELIGIOUS, STUDYING RELIGION CAN HELP YOU UNDERSTAND THE COMPLEX WORLD WE LIVE IN. RELIGIOUS BELIEFS AND PRACTICES HAVE A HUGE IMPACT ON HOW INDIVIDUALS AND GROUPS MAKE SOCIAL, ECONOMIC AND POLITICAL DECISIONS.

Learn more about your own religion and those of others - or simply develop globally-relevant knowledge - by studying in an academically rigorous university setting.

At Huron, our Religion and Theology modules encourage interdisciplinary approaches to learning by making it easy to include courses in the Social Sciences and Humanities in your schedule. We encourage you to dig deep and explore the literature, history and current practice of Judaism, Christianity, Islam and more.

THE HURON ADVANTAGE

WITH HURON'S UNIQUE RELIGION AND THEOLOGY PROGRAM, STUDENTS CAN DIVE DEEP INTO THE STUDY OF RELIGION AND THE MANIFOLD AREAS OF LIFE IT AFFECTS.

Our students gain a rich and sympathetic understanding of religious movements, literature and practices by attaining a degree at the undergraduate, professional Master's or graduate Master's levels. Regardless of which degree best suits your educational journey, Huron's Faculty of Theology is inclusive and our professors are passionate experts and active researchers in their fields of study.

"Huron's Religion & Theology Program contributed to my education in a way that allows me to learn about the different aspects of religion while also opening my eyes to other religions apart from my own. The small class sizes make it easier to get the one-on-one time with your professors you might not be able to get elsewhere. Studying Religion provides you with a well-rounded education and many experiences that prepare you for your future: it really gives you a little piece of so many subjects, which will revolutionize the way you see the world."

“My education helped me develop significantly as a public speaker, which has assisted me greatly, both in law school and in my practice. More than that, studying Theology helped me think critically and interpret dense and difficult texts — all these skills have been invaluable to me as a lawyer. This program gives you perspective about why you should do the things that are right, just and good in the world. No matter what field you work in, this is going to help you shape it in positive ways.”
