# JEWISH STUDIES

Explore Jewish History, Culture, Identity and Meaning

## Discover & Share the Richness of the Jewish Story

The history and culture of the Jewish people extend across more than three millennia, from biblical times to the present, and spans most of the world, including the Middle East, Central Asia, North Africa, Europe, and North and South America.

A degree in Jewish Studies allows for the deep exploration of the diversity of Jewish culture across time and space, as well as an understanding of Jewish religious practices, Jewish thought, and an introduction to Hebrew.

## Where Curiosity Leads, Passion Follows

Your first year is all about exploration and discovery.

With minimal required courses, you have the flexibility to personalize your academic path and discover what truly excites you. Dive into a wide range of subjects, try something completely new, and shape your schedule to reflect your unique interests.

### Customize your Degree

Combine modules like specializations, majors, and minors to build a path that matches your passions and goals.

# Beyond the Classroom

Learning at Huron doesn't stop at the classroom door. Our students expand their knowledge through real-world experiences that connect theory to practice, deepen cultural understanding, and build the skills needed to thrive in any career path. The Jewish Studies program sponsors numerous learning and social events that bring together students, faculty, and community.

## CAREER INTERNSHIPS

Get paid part-time experience during the school year or full-time in summer. These roles align with your interests and help build your resume with real-world value.

## ACADEMIC INTERNSHIPS

Earn while you learn. Take 4–16 months off between Year 3 and Year 4 for a full-time, for-credit, paid internship. Many students receive job offers after completion.

## RESEARCH INTERNSHIPS

Work with a Huron faculty member for support on a student research fellowship with funding up to \$1,500 or a paid research assistant opportunity.

## ENTREPRENEURIAL INTERNSHIPS

Get support to ideate, plan, and launch a new business. You'll get 1:1 coaching, access to funding, and other resources to set you up for success.

## Travel Study

The **Auschwitz Jewish Center Fellows Program** offers senior students a unique educational opportunity to learn about the Holocaust in the context of Poland's history and Jewish heritage. This summer fellowship includes travel in Poland for three weeks, during which time students visit Krakow, Warsaw, Łódź, Treblinka, and Oświęcim (Auschwitz). There are also opportunities for study abroad exchanges in Israel, the United States, Europe, and beyond.
