# ENTREPRENEURSHIP

Your Idea. Your Venture. Your Future.

## Entrepreneurial Thinking for Every Discipline

Huron's dynamic undergraduate Minor in Entrepreneurship is designed to complement any discipline: Arts, MOS, or Social Science.

In a world that demands adaptability and creative problem-solving, this program empowers students to think differently, act boldly, and lead change from wherever they are. Whether launching an idea, reimagining systems, or driving innovation within existing organizations, students develop the entrepreneurial and intrapreneurial mindset to shape the future on their terms, in their field.

## Where Curiosity Leads, Passion Follows

Your first year is all about exploration and discovery.

With minimal required courses, you have the flexibility to personalize your academic path and discover what truly excites you. Dive into a wide range of subjects, try something completely new, and shape your schedule to reflect your unique interests.

### Customize your Degree

Combine modules like specializations, majors, and minors to build a path that matches your passions and goals.

# Beyond the Classroom

- Develop your entrepreneurial skills to start your own business or solve some of today's most complex issues. Regardless of program, you will have access to Huron U Pitch Competition Entry, Prototyping, One-on-one coaching and start-up support, innovation, and entrepreneurial events.
- **Hands-on, community-based learning:** Gain real-world experience through industry tours, consulting projects with small businesses, governance support for community agencies, and open discussions with business leaders.
- **Bringing theory to life:** Apply course concepts in meaningful, real-time settings that connect classroom learning to the broader community.

## CAREER INTERNSHIPS

Get paid part-time experience during the school year or full-time in summer. These roles align with your interests and help build your resume with real-world value.

## ACADEMIC INTERNSHIPS

Earn while you learn. Take 4–16 months off between Year 3 and Year 4 for a full-time, for-credit, paid internship. Many students receive job offers after completion.

## RESEARCH INTERNSHIPS

Work with a Huron faculty member for support on a student research fellowship with funding up to \$1,500 or a paid research assistant opportunity.

## ENTREPRENEURIAL INTERNSHIPS

Get support to ideate, plan, and launch a new business. You'll get 1:1 coaching, access to funding, and other resources to set you up for success.

## Travel Study

Embark on an international adventure and gain hands-on experience, build community, and explore different cultures. Huron University provides experiential learning opportunities abroad, as well as support to students for international exchanges.
