GLOBAL GREAT BOOKS

Explore Fundamental Questions Unconstrained by Borders

Ask Questions that Move the World Forward

Discover the wonder of contemplation through global great books. Engage with peers and faculty across disciplines to explore how cultures have long grappled with life's most pressing questions.

In Global Great Books, we ask: What is happiness? What is justice? Reflecting on these ideas builds not only personal well-being but also the foundation for ethical responses to today's global challenges.

Where Curiosity Leads, Passion Follows

Your first year is all about exploration and discovery.

With minimal required courses, you have the flexibility to personalize your academic path and discover what truly excites you. Dive into a wide range of subjects, try something completely new, and shape your schedule to reflect your unique interests.

Customize your Degree

Combine modules like specializations, majors, and minors to build a path that matches your passions and goals.

The Huron Advantage

With our small class sizes and dedicated faculty, we challenge our students to be **Leaders with Heart** by prioritizing ethical leadership, community engagement, and professional success. Our programs encourage civic responsibility, and compassion, inspiring students to make a positive impact in the world.

Guaranteed Internship Opportunities

At Huron, opportunity isn't just something you wait for, it's something you prepare for and pursue, with support.

Every student is guaranteed a paid internship opportunity and volunteer positions by working with their career coach for 1:1 support to develop a personalized 4-year plan. Whether you're looking for a meaningful internship, community engagement, or a post-graduation launchpad, our Careers & Experiences team is here to help you explore, apply, and succeed.

Beyond the Classroom

In Global Great Books you will have the opportunity to explore the ideas and questions we ask in class in exciting experiential learning opportunities that connect philosophy, literature, art, and community engagement. Examples include:

- Exploring visual art through program trips to galleries in London, Toronto, and beyond.
- Studying Shakespeare in class, then traveling to Stratford to experience it live and performing your own version of the play.
- Reflecting on technology and the natural order while visiting London's world-class therapeutic riding school.
- Build empathy by partnering with local non-profits, supporting individuals with intellectual disabilities, providing food for those in need, and learning from people experiencing housing insecurity.

CAREER INTERNSHIPS

Get paid part-time experience during the school year or full-time in summer. These roles align with your interests and help build your resume with real-world value.

ACADEMIC INTERNSHIPS

Earn while you learn. Take 4–16 months off between Year 3 and Year 4 for a full-time, for-credit, paid internship. Many students receive job offers after completion.

RESEARCH INTERNSHIPS

Work with a Huron faculty member for support on a student research fellowship with funding up to \$1,500 or a paid research assistant opportunity.

ENTREPRENEURIAL INTERNSHIPS

Get support to ideate, plan, and launch a new business. You'll get 1:1 coaching, access to funding, and other resources to set you up for success.

Travel Study

Embark on an international adventure and gain hands-on experience, build community, and explore different cultures. Huron University provides experiential learning opportunities abroad, as well as support to students for international exchanges.
