Huron University isn't for everyone, it's for those ready to lead and make a change. We have very carefully and intentionally created a truly unique institution. Ask yourself the following questions to see if Huron might be just what you are looking for:

- Do I want to make a difference in the world?
- Do I function best in an environment where I'm not just a number, lost in a crowd?
- Do I believe that I can both fulfill my own dreams while having a concern for others?
- Do I want my education to go beyond the classroom and be connected to the world?
- Do I want to meet students who are different from me and come from different backgrounds?
- Am I prepared to be challenged and to be changed?

If you said yes to these questions, Huron is probably the place you have been looking for, even if you didn't know it!

In the pages that follow, you will see how Huron is a very special place with a unique mission.

Feel free to contact me directly if you'd like to chat about Huron.

Combine any Arts or MOS program with a minor in **Entrepreneurship**.

Your first year is all about exploration and discovery, with flexibility built in. Huron's approach gives you the freedom to try a variety of subjects to uncover your passion!

ATTEND THE HARVARD BUSINESS SCHOOL WHILE **AT HURON!**

**HARVARD
BUSINESS SCHOOL**

Huron is one of only a select few universities in Canada that has a formal partnership with the Harvard Business School Online. Students from any program can participate in the Credential of Readiness in Business (CRe). Stand out in today's workforce by developing and refining fundamental business skills through three online courses:

Business Analytics | **Economics for Managers** | **Financial Accounting**

Management and Organizational Studies (Business)

As a member of the Business School Association of Canada, Huron offers Management and Organizational Studies (MOS) programs that explore all areas of business and how organizations operate. Prepare for a career as an accountant, banker, business consultant, economist, entrepreneur, project manager, logistics specialist, marketer or market researcher. The MOS degree provides a foundation for business careers and is a strong stepping-stone toward professional designations such as the CPA and CFA.

CHOOSE FROM ONE OF THESE AREAS OF STUDY TO OBTAIN YOUR BACHELOR OF MANAGEMENT AND ORGANIZATIONAL STUDIES (MOS):

- Accounting
- Business Intelligence
- Finance & Administration
- Management & Organizational Studies
- Marketing & Sustainability
- Organizational Studies, Policy & Ethics

START AT HURON, **CONTINUE TO IVEY**

Your path, your choice. You can choose to complete your first two years at Huron before applying to Ivey's Honours Business Administration (HBA) program, or you can apply directly from high school for Advanced Entry Opportunity (AEO), a conditional pre-admission to the HBA program.

The Huron advantage. Huron's small class sizes, faculty mentorship, leadership development through internships, community-based learning, volunteering, and travel study uniquely position you to maintain a strong GPA and build a standout extracurricular profile, essential for acceptance into Ivey.

Advantages of Learning at Huron

At every touchpoint, you'll find a multitude of ways to actively participate in building your career while developing yourself as a **Leader with Heart**.

■ Interactive Class Discussions

With an average class size of 21, it's easy to participate in classroom discussions and benefit from discussion-based and case-method learning.

■ 1:1 Support from Professors

At Huron, you're a person, not a student number. Our professors will know you by name, mentor you, and help you discover where you can excel and leave your mark on the world.

■ Career Readiness

Our highly individualized approach connects your academic learning with workplace experiences. Your personalized 4-year plan of professional, leadership, and community experiences will set you apart from graduates at other universities.

■ Valuable Network Connections

Build a powerful network to accelerate your success through our Mentorship Program, which provides access to professors, upper year students, Huron's accomplished alumni network, internship placements, and our world-class partnership programs.

■ Library and Learning Services

You'll have access to support for writing, research, and language learning, as well as tutoring and digital tools for your courses. Students also enjoy unrestricted access to digital and print collections in one of Canada's largest research libraries.

■ Undergraduate Research Grants

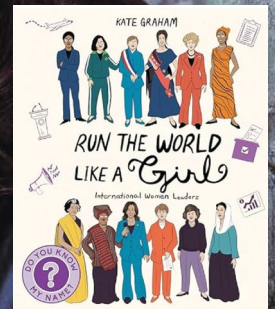

Research learning begins in year one. The Centre for Undergraduate Research Learning (CURL) helps develop your curiosity and sharpen your research skills. Apply for fellowships of \$1,500, an opportunity not often available for undergrads.

"Our students need to know how to get leaders across different sectors to work together, how to introduce policy change that can compel action. It's that broader understanding that we are equipping students with to use well beyond their time at Huron."

DR. KATE GRAHAM

Assistant Professor and
Duncanson Family Faculty Fellow
Governance, Leadership & Ethics

Professor Graham's recently published book celebrates the trailblazing women who rose up to become prime ministers and presidents around the world.

Meet Kate Graham, PhD

Professor, researcher, senior policy advisor, speaker, author

Kate uses her real-world experience in politics, local government, and research, plus a hands-on approach to inspire curiosity in her classes. Kate was recognized in 2025 with the Ontario Undergraduate Student Alliance's Teaching Excellence Award.

Mentorship at Huron

GET SUPPORT **AT EVERY STAGE OF YOUR JOURNEY**

Huron's formal mentorship program connects you with the right guidance, at the right time, from first year to graduation, and beyond.

First-year students are connected with upper-year peers in the same program to help them transition and thrive academically.

Upper-year students are matched with alumni and professionals who offer career guidance and help build valuable networks.

Future grad students receive tailored mentorship from graduate students in their field to prepare for applications and exams.

Aspiring entrepreneurs are supported by mentors with real startup experience to help bring their business ideas to life.

Brooklyn Tobias (aspiring lawyer) was mentored by Melissa Elmaleh '10 Estate Litigator in Toronto

Brooklyn's career advisor introduced her to the mentorship program, where she was matched with Melissa, a Huron alumna and Osgoode Hall graduate.

The two connect regularly, and the relationship has become essential to Brooklyn's journey. "I can reach out to Melissa as a friend for guidance and information. I can ask her anything."

For Melissa, mentorship is about making the post-grad process less intimidating. "Law is hard to navigate from the outside. Having someone who can show you the ropes can change everything."

After sharing his aspirations to travel and work globally with his career coach, Skye began the journey of refining his goals, building a strong resume, and connecting with a mentor who understood his vision. "It's a match made in heaven," he says. "We're on the same wavelength."

Through Huron's Career Accelerator Program, Skye was matched with Amanda. A graduate of Huron's Global Studies program, Amanda is currently Head, International Small Business at Scotiabank, with over 20 years of international experience.

Guaranteed Paid Internship Opportunities

HANDS-ON WORK EXPERIENCE WHILE YOU LEARN

At Huron, your future begins now! Benefit from real-world work experience and develop transferable skills with our guaranteed internship opportunities. Start to prepare in your first year: declare your interest, craft your resume, practice interviewing, and get ready to land your role.

With 1:1 career support, a personalized 4-year plan, and internships tailored to your goals, you'll build the skills and experience employers look for. Here are four ways to get ahead:

1

Career Internships

Get paid part-time experience during the school year or full-time in summer. These roles align with your interests and help build your resume with real-world value.

2

Academic Internships

Earn while you learn. Take 4–16 months off between Year 3 and Year 4 for a full-time, for-credit, paid internship. Many students receive job offers after completion.

3

Research Internships

Work with a Huron faculty member for support on a student research fellowship with funding up to \$1,500 or a paid research assistant opportunity.

4

Entrepreneurial Internships

Get support to ideate, plan, and launch a new business. You'll get 1:1 coaching, access to funding, and other resources to set you up for success.

FROM CLASSROOM TO CAREER: HOW HURON'S INTERNSHIP PROGRAM FOSTERS PRACTICAL LEARNING

Rachel Millar's face lights up when she talks about her internship at Nuts For Cheese. As a BMOS student specialising in Marketing & Sustainability at Huron, she describes it as her "first real job – the one that showed me every part of how a business actually runs." The paid internship, exclusive to Huron students, helped Rachel define her career path while gaining invaluable, hands-on experience.

Nuts For Cheese was founded by Huron alumna Margaret Coons, who turned her passion for food into a thriving business, that is now sold in over 5,000 stores across North America. Margaret credits Huron for equipping her with the soft skills that helped her grow from chef to CEO.

Candace Campbell, Director of U.S. Sales, was Rachel's mentor during her internship. She embodied the company's spirit of mentorship, offering guidance, inspiration, and real-world insights that helped Rachel build confidence, a strong resume, and a vision for her future.

At Huron, opportunities like these don't just happen. They're built into the experience.

Scotiabank Career Accelerator Program (CAP)

Invest in yourself. Own your future.

Want to stand out in a competitive job market? The Scotiabank CAP accelerates your leadership potential while you earn your degree at Huron.

Through hands-on workshops, training modules, and real-world experiences, you'll build skills in areas such as project management, data analytics, sales, digital marketing, relationship building, and AI fundamentals. Plus, you'll graduate with a Scotiabank CAP designation, a powerful signal to employers that you are career-ready.

Built in collaboration with industry experts and Huron alumni, Scotiabank CAP is designed to give you an edge: experience, insight and initiative. This elite program gets your resume to the top of the pile and shows future employers that you're ready.

The Huron Culture of Care

Huron's unique approach creates a positive and safe campus community by caring for your academics, mental health, and social well-being. Our high staff-to-student ratio ensures personalized support to help you thrive.

Student Engagement

Our Student Engagement team plans fun ways for you to meet like-minded people through on-campus programming, trips off campus, and loads more.

Student Leaders

Across campus, over 100 student leaders are ready to support you as you settle into your new community at Huron.

- Residence Dons
- Sophs
- Wellness Peer Educators
- International Student Officers

Academic Advising

Academic Advisors provide one-on-one, proactive support to help you realize your academic dreams. You'll get coaching on academic policies, degree requirements, program selection, course registration, and available resources.

Community Safety

Community Safety services offer a confidential spot for resources, advice, concerns and referrals. Students work with professionals to co-create plans while we focus on overall student safety, responsive programming and awareness.

Student Wellness

Our Wellness team places your well-being at the core of your academic achievement and personal development. Services offered foster mental health awareness and community care, including:

STEPPED-CARE MODEL

- Therapy Assistance Online
- Peer Support
- Individual Counselling
- Group Programming

PROGRAMMING

- Art Therapy
- Heart to Hearts
- Thriving at Huron
- Huron Hikes

Making The Transition

In the summer before first year, you'll join us for an in-person or virtual Academic Registration Session to guide you through program options and course registration. This is when you'll meet your Academic Advisor who will support you from first-year through to graduation.

Orientation Week (OWeek)

Huron offers one of the best student orientation experiences in Canada. This action-packed, fun week will be a chance to meet friends, learn about your new home, and start a new chapter of your life that prioritizes safety and inclusivity.

International Welcome Week

We greet international students at the Toronto airport and travel with you as you arrive on Huron's campus to participate in activities with fellow students from around the globe. We also help you get set up with services you will want to access in Canada such as bank accounts and SIM cards.

"Huron University Students' Council has allowed me to step outside my comfort zone and create a tangible impact, dealing with situations that build career-ready skills. The mentorship I've gained has allowed me to grow personally and professionally while improving student wellbeing across campus."

Explore Your World

Exchanges, internships, and unique learning experiences around the globe

Embark on an international adventure and gain hands-on experience, build community, and explore different cultures.

Exchanges: Study in another country for a semester or a year. Huron has exchange partners located in Austria, China, France, Hong Kong, Japan, Sweden, the United Kingdom, and more.

Internships: Take your education global with hands-on experience that builds both career and character.

Learning Experiences: Faculty-lead international learning experiences are designed to align passions and academic goals.

EXPERIENTIAL LEARNING OPPORTUNITIES SUCH AS: FRENCH STUDIES

To learn more about the French language, culture and film, students travelled to the south of France for a fully immersive experience. Living as locals for a week, they visited Picasso's mansion, the Perfumery Museum in Grasse, and the historical Ephrussi Villa while improving their French with every interaction.

EXPLORING CANADA

Prefer to explore and study in Canada? Huron has all kinds of experiential learning opportunities with local businesses, non-profits, and community leaders, so you can apply what you learn in the classroom. As part of a course on the Sixty Years' War, Huron's History students took a 5-day trip on a tall ship exploring the coast of Lake Erie.

"The friends I made, the culture I experienced and the opportunity to study something I love at another world-class university has helped me expand my perspectives and global network. I would recommend it for every Huron student!"

Jamie Jones' Learning Adventure

Jamie's passions
led her to England

A 4-month exchange provided unforgettable memories and experiences that further grounded her passion for her studies.

Jamie had always dreamed of studying abroad, but she feared it might be too ambitious or challenging to balance her studies. At Huron, she had the resources and faculty support to make it a reality. Her professor and academic advisor found an incredible exchange opportunity with a university in England, where she could grow personally and academically.

Appleby College, Oakville

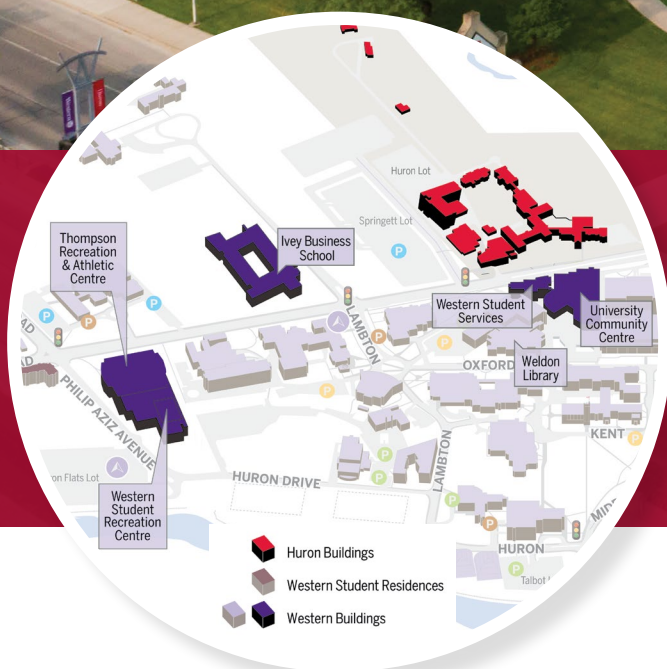

While in high school at Oakville's Appleby College, Caleb began searching for a world-class university that offered a truly unique student experience. What he found at Huron exceeded his expectations by offering a tight-knit community, small class sizes and a focus on building leaders of character. Caleb's enthusiasm even influenced his sister to join Huron in September 2025.

Our Campus

Huron's campus is conveniently located **across the street from Western**, putting the Ivey Business School, Western's classes, athletics centre and library just steps away.

THE LAND WE SHARE

We acknowledge Huron is situated on the traditional lands of the Anishinaabeg, Haudenosaunee, Attawandaron, and Lenape peoples whose sharing and stewardship of the land has been governed by the Dish with One Spoon treaty. We are guided by this treaty in the spirit of peace, friendship, and respect and are grateful to host our university community on this land.

THE FAIRFAX CENTRE FOR FREE ENTERPRISE

"Together, we will support the ambitious students, encourage teaching and research in the field of free enterprise, and make a bold investment in Huron's future, but also in the future of Canada."

PREM WATSA

Fairfax Financial Holdings,
Chairman and CEO

The **Fairfax Centre for Free Enterprise** at Huron is the first of its kind in Canada. Students will explore, within a distinctly Canadian context, how the principles of free enterprise can lead innovation, build prosperity, and strengthen civil society. This is where students and entrepreneurs will be supported, where your big ideas can make an impact in the world.
