

JPN4450-550 Japanese 4

Japanese Program: French and Asian Studies
Faculty of Arts and Social Sciences, Huron University
Fall/Winter 2022–2023

Instructor: Rie Shirakawa (Office: A9; e-mail: rshiraka@uwo.ca)
Class Hours: MW: 12:30pm-2:30pm
Class Location: Huron-W104
Office Hours: MW: 11:30–12:30, or by appointment

Textbook:

Kamada, O, et. al. 2012. 「新・生きた素材で学ぶ 中級から上級への日本語」*Authentic Japanese: Progressing from intermediate to Advanced*. [New Edition] Tokyo: The Japan Times.

Suppl. Other reading materials will be distributed in class.
E-J/J-E Dictionaries, Any grammar reference book(s)

Course Description:

This course builds on the skills developed in Japanese 3350 (or equivalence). Students will read such primary materials as newspaper and journal articles, develop skills in conversation, discussion, and public-presentation on topics related to the readings, and develop practical writing skills. This course is NOT designed for native speakers of Japanese who are already fluent in written Japanese. We consider those who finished high school in Japan as over-qualified for the course.

Prerequisite(s): Japanese 3350 or placement test.

Extra Information: 4 hours, 1.0 course.

Course Learning Objectives:

- To acquire advanced communicative skills (speech and listening (at least at the Intermediate-High level, or higher, of the OPI scale, or level B1~2 of the Common European Frame of Reference (CEFR)) of modern Japanese.
- To prepare for advanced reading/writing skills.
- To acquire knowledge about Japanese culture through reading materials.
- To acquire necessary computer skills for advanced Japanese study.

Class Methods:

The course consists of two kinds of tasks: language and grammar (rhetoric, discourse, etc.). The former will focus on developing the reading skills necessary for reading materials and the writing skills that can express 'complex' thoughts. These skills, combined, will enhance one's 'spoken' language in formal contexts. We will concentrate on further development of one's communicative competence, via situational drills, interviews, among others. The grammar section will review and clarify the formal aspects of Japanese language.

Methods of Evaluation/Assessment:

The composition of the grade will be as follows: section tests (4x5= 20%), the final interview (20%), homework assignments (10%), in-class quizzes (5%), in-class speech/written version (2x15=30%) at the end of each term, and class performance (15%). Due to the cumulative nature of the work, a passing grade will not, in general, be given to those students who, without proper excuses, miss 1/3 (or more) of the total class time for each semester.

SPECIAL INSTRUCTIONS:

- 1) Students must attend more than 70% of classes for each semester. Otherwise, the student will be blocked from taking the final presentation and interview, unless a proper official excuse is provided for each absence.
- 2) In principle, we will not make up section tests for a pedagogical reason.
 - i Under an inevitable condition, students with a valid excuse should contact the instructor for a prior consent, and then, academic counselor for a proper excuse.
 - ii With a proper excuse, the average grade of the section tests for each student will be assigned as the grade for the missing tests.
 - iii Any missing section test without a proper excuse will be marked 0.
 - iv We will not make up in-class quizzes, as we go over it in the beginning of the next class.
- 3) Compositions can be revised and resubmitted for re-evaluation.
- 4) Any student who cannot comply the absence policy should contact the instructor.
- 5) For the same reason, any additional course-related conditions and constraints will be announced at the beginning of the course (and posted in OWL).
- 6) Smart phones and laptop computers should be put in Airplane Mode.

POLICY ON ATTENDANCE

Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course will be reported to the Dean (after due warning has been given). On the recommendation of the Department concerned, and with the permission of the Dean, the student will be debarred from taking the regular examination in the course.

SPECIAL EXAMINATION:

A special examination is any examination other than the regularly scheduled examination. Special exams will be allowed only on receipt of documentation verifying a serious illness or emergency that kept the student from writing the exam as originally scheduled. Such documentation is strictly confidential and kept in the student's file. In the case of missing a final exam for documented medical reasons, a special exam will be set by Academic Counseling.

Special exams will not be granted for occasions such as employment interviews, weddings, bar mitzvahs, family reunions, vacations, misreading the exam timetable, or oversleeping. Neither will special exams be granted in order to facilitate transportation arrangements, such as booking flights for home for Christmas or summer vacations. It is the policy of Huron [University] College to discourage informal arrangements by faculty which circumvent this regulation”

Appendix to Course Outlines: Academic Policies & Regulations Fall/Winter 2022

Pandemic Contingency

Huron will continue to follow the guidance of public health and government officials. It is anticipated that there will be no further disruptions to in-person instruction. This is subject to change.

Student Code of Conduct

Membership in the community of Huron University College and Western University implies acceptance by every student of the principle of respect for the rights, responsibilities, dignity and well-being of others and a readiness to support an environment conducive to the intellectual and personal growth of all who study, work and live within it. Upon registration, students assume the responsibilities that such registration entails. While in the physical or online classroom, students are expected to behave in a manner that supports the learning environment of others. Please review the Student Code of Conduct at:

<https://huronatwestern.ca/sites/default/files/Res%20Life/Student%20Code%20of%20Conduct%20-%20Revised%20September%202019.pdf>.

Prerequisite and Antirequisite Information

Students are responsible for ensuring that they have successfully completed all course prerequisites and that they have not completed any course antirequisites. Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

Attendance Regulations for Examinations

A student is entitled to be examined in courses in which registration is maintained, subject to the following limitations:

- 1) A student may be debarred from writing the final examination for failure to maintain satisfactory academic standing throughout the year.
- 2) Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course will be reported to the Dean of the Faculty offering the course (after due warning has been given). On the recommendation of the Department concerned, and with the permission of the Dean of that Faculty, the student will be debarred from taking the regular examination in the course. The Dean of the Faculty offering the course will communicate that decision to the Dean of the Faculty of registration.

Review the policy on Attendance Regulations for Examinations here: [Academic Calendar - Western University \(uwo.ca\)](#)

Statement on Academic Offences

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following website: [Academic Calendar - Western University \(uwo.ca\)](http://www.uwo.ca/academic_calendar) . The appeals process is also outlined in this policy as well as more generally at the following website: https://www.uwo.ca/univsec/pdf/academic_policies/appeals/appealsundergrad.pdf.

Turnitin.com

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (<http://www.turnitin.com>).

Statement on Use of Electronic Devices

It is not appropriate to use electronic devices (such as, but not limited to, laptops, tablets, cell phones) in the classroom for non-classroom activities. Such activity is disruptive and distracting to other students and to the instructor, and can inhibit learning. Students are expected to respect the classroom environment and to refrain from inappropriate use of technology and other electronic devices in class.

Statement on Use of Personal Response Systems (“Clickers”)

Personal Response Systems (“clickers”) may be used in some classes. If clickers are to be used in a class, it is the responsibility of the student to ensure that the device is activated and functional. Students must see their instructor if they have any concerns about whether the clicker is malfunctioning. Students must use only their own clicker. If clicker records are used to compute a portion of the course grade:

- the use of somebody else’s clicker in class constitutes a scholastic offence
- the possession of a clicker belonging to another student will be interpreted as an attempt to commit a scholastic offence.

Academic Consideration for Missed Work

All students pursuing academic consideration, regardless of type, must contact their instructors no less than 24 hours following the end of the period of absence to clarify how they will be expected to fulfill the academic responsibilities missed during their absence. **Students are reminded that they should consider carefully the implications of postponing tests or midterm exams or delaying submission of work, and are encouraged to make appropriate decisions based on their specific circumstances.**

Students who have conditions for which academic accommodation is appropriate, such as disabilities or ongoing or chronic health conditions, should work with Accessible Education Services to determine appropriate forms of accommodation. Further details concerning policies and procedures may be found at: <http://academic-support.uwo.ca/>.

Policy on Academic Consideration for a Medical/ Non-Medical Absence

- (a) Consideration on **Medical Grounds** for assignments worth *less than 10%* of final grade: **Consult Instructor Directly and Contact Academic Advising**

When seeking consideration on **medical grounds** for assignments worth *less than 10%* of the final course grade, the student should contact the instructor directly. The student need only share broad outlines of the medical situation. The instructor **may** require the student to submit documentation to the academic advisors, in which case she or he will advise the student and inform the academic advisors to expect documentation. If documentation is requested, the student will need to complete and submit the [Student Medical Certificate](#). The instructor may **not** collect medical documentation. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation.

b) Medical Grounds for assignments worth 10% or more of final grade: Go Directly to Academic Advising

University Senate policy, which can be found at [Academic Calendar - Western University \(uwo.ca\)](#) requires that all student requests for accommodation on medical grounds for assignments worth 10% or more of the final grade be made directly to the academic advising office of the home faculty (for Huron students, the “home faculty” is Huron), with supporting documentation in the form (minimally) of the Senate-approved Student Medical Certificate found at:

https://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf.

The documentation is submitted in confidence and will not be shown to instructors. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation. The instructor will not normally deny accommodation where appropriate medical documentation is in place and where the duration it describes aligns with the due date(s) of assignment(s). Before denying a request for accommodation on medical grounds, the instructor will consult with the Dean. The instructor’s decision is appealable to the Dean.

c) Consideration on Non-Medical Grounds: Consult Huron Support Services/Academic Advising, or email huronsss@uwo.ca.

Students seeking academic consideration for a **non-medical** absence (e.g. varsity sports, religious, compassionate, or bereavement) will be required to provide appropriate documentation. All consideration requests must include a completed [Consideration Request Form](#). Late penalties may apply at the discretion of the instructor.

Please review the full policy on Academic Consideration for medical and non-medical absence at: [accommodation medical.pdf \(uwo.ca\)](#). Consult [Huron Academic Advising](#) at huronsss@uwo.ca for any further questions or information.

Support Services
