Disclaimer: Information in the brief course outline is subject to change. The syllabus posted on OWL is the official and authoritative source of information for the course.

Course Description:

An advanced examination of the theory and practice of leadership with a focus on women. Students will develop their analytical abilities and own leadership skills, and deepen their understanding of equity, diversity, and inclusion in organizations.

Learning Outcomes:

identify and understand the barriers to and accomplishments of diverse women's leadership experiences

assess real, gendered organizational challenges and both responsive and proactive strategies for confronting them

demonstrate high quality research and verbal and written communication skills

apply both collaborative and independent leadership skills in the organizing and delivering of events and learning opportunities

Textbooks and Course Materials:

Readings posted in OWL.
Visual materials on Netflix and Apple+.
