Course Number and Section:

MOS

2181A 551

Instructor Name(s): Hassan Zeineddine

Instructor Email(s): hzeined@uwo.ca

Disclaimer: Information in the brief course outline is subject to change. The syllabus posted on OWL is the official and authoritative source of information for the course.

Course Description:

This course introduces the student to multidisciplinary approaches to human behaviour in organizational settings. Attention will be paid to both public and private sector organizations. A variety of issues will be examined from the perspective of the manager as well as those of the worker, the client, and the citizen.

Learning Outcomes:

to provide an overview of the influential theoretical perspectives and research findings in the field of organizational behaviour

to offer a set of conceptual frameworks, methodological approaches, and analytical skills which are useful in increasing our understanding of human behaviour in organizations

to provide opportunities to practice the use of these conceptual frameworks through their application to organizational problems

to challenge the student to think analytically and creatively about significant issues facing organizational stakeholders now and in the future
