- **Think About Storage:** Consider where you'll store everything and if it will fit comfortably in your room.

ROOM INSPECTIONS

At check-in, you'll complete a room inventory form with your Don. This form helps Residence Managers track room conditions. You are financially responsible for any damage, loss, or cleanliness issues when moving out.

All students are responsible for maintaining cleanliness standards in the community, such as lounges or floor washrooms. Students with semi-private access to common areas or washrooms, such as pods or suites, share specific responsibility in acknowledgement of that privilege. Failure to maintain cleanliness may result in fees and disciplinary actions.

At the end of the year, there will be a **Check-Out** process that mirrors this process in reverse, we will ensure the room is reset to the conditions prior to your arrival.

RESIDENCE INSURANCE

Huron University will not be liable, directly or indirectly, for theft or loss of personal property by fire, water, or any other cause. All students will be required to sign up for insurance coverage provided by Marsh Canada or may opt out if you are covered through a family insurance policy.

RESIDENCE DEPOSIT REFUND

Your residence deposit will be refunded sometime mid-summer after your residence tenure. It is used to restore any damage to your space, restorative justice measures enacted by the residence discipline committee, or used to supplement any outstanding fines or fees. Any remainder is refunded to you up to the full amount if there were no charges.

DECORATIONS & WALL HANGINGS

Personalizing your room is a great way to make it feel like home. However, there are some guidelines to ensure safety and respect for the facilities:

GUIDELINES FOR DECORATING

- **Adhesives:** Using brand name Command Strips that won't damage the walls. If you can't remove it yourself, leave it on the wall. Forced removal may damage the walls further resulting in more charges.
- **Fire Safety:** Ensure decorations do not cover smoke detectors, sprinkler systems, or exit signs. There should be no obstructions of doors or windows. You should avoid wall-sized fabric tapestries that could catch fire.
- **DO NOT PAINT:** Any modifications to paint would result in a charge to reset the room to the conditions prior to move-in.
- **No long-term fixtures:** None of your décor should require installation such curtains, shelves, or hooks.

TIPS FOR PERSONALIZING YOUR SPACE

- **Photos and Posters:** Use photos and posters to add a personal touch. Utilize your bulletin boards/approved hanging zones to avoid potential damage charges. Anything hung on the wall will be your own risk.
- **Lighting:** Add battery-operated string lights for ambiance. Tack and adhesive can cause wall damage. Use at your own risk.
- **Plants:** Small plants can add life to your room. Snake, Spider, or Pothos. They are incredibly easy to care for and filter the air!

You will pick-up your One-Card on move-in Day, and if you need to replace a one-card, you may do so here. Make sure you upload your photo prior to arriving on campus.

LIVING WITH ROOMMATES

Living with roommates or suite mates can be a rewarding experience. Here's how to navigate these relationships:

INTRODUCTION TO ROOMMATES

Communication: Although we are unable to provide your specific roommate's information, reach out to your roommate(s) before move-in via the shared Teams' Group you'll be added to so you can introduce yourself and discuss living arrangements.

Setting Expectations: Your Dons will be facilitating roommate agreements early in the year where you can discuss expectations for cleanliness, noise levels, and shared responsibilities.

SHARING SPACES

Common Areas: Respect shared spaces like bathrooms, kitchens, and living areas. Keep them clean and tidy. Be mindful of noise levels during the days and evenings to ensure smooth relationships.

Personal Space: Be mindful of each other's personal space and belongings.

Hygiene: Practice good personal hygiene to ensure a healthy living environment for you and your roommates.

Conflict Resolution: If conflicts arise, try to resolve them through respectful conversation. If needed, seek assistance from your Don. If you have a roommate or suite mate, your Don will assist you in completing a "roommate/suite mate agreement" form.

ACCOUNTABILITY

Own Your Actions: Take responsibility for your actions and their impact on others.

TIPS FOR POSITIVE INTERACTIONS

Respect Differences: Embrace the diversity of your community. Respect different backgrounds, beliefs, and perspectives.

Be Friendly: Greet your neighbors, offer a smile, and be approachable. Small gestures can go a long way.

Help Others: Offer assistance to fellow residents when needed. Acts of kindness build a supportive community.

ROOM CHANGES

Request Process: If you encounter issues with your room assignment, you can request a room change through the Residence Life Office before October 31st. These are only granted in exceptional circumstances after formal efforts have been taken to resolve the situation.

Availability: Room changes are subject to availability and are considered on a case-by-case basis.

GUESTS

If you live in Huron residence, a guest is anyone who doesn't. When you invite a guest, you need to be with them at all times because you're responsible for their behavior. Use common sense and courtesy—check with your roommate before inviting friends over, especially if they might be studying or working on something important.

Having an overnight guest is a privilege, not a right. You can have an overnight guest for one night or a weekend, but you must get your roommate's permission first. For safety reasons, guests need to be registered. You can access guest registration using the QR code on the posters or in Teams, and these should be filled out at least 24 hours before your guest arrives.

If your guest is staying past 8:00 p.m., they must be registered, and you can only have up to two guests at a time. If you want more than two guests or need an extended stay, you must contact the Housing Team at housing@huron.uwo.ca in writing at least 48 hours in advance.

Remember, you're responsible for your guest's actions, including any damage they cause. Make sure your guest follows the Residence Discipline Code and the Code of Student Conduct. If your guest misbehaves, they may be asked to leave, and you could face disciplinary actions.

The following times are No-Guest Periods, including but not limited to: Orientation Week, Homecoming Weekend/HOCO, FOCO, Halloween, St. Patrick's Day, and other dates announced by Huron. Specific dates and additional No-Guest periods will be provided closer to the events.
