## Registration for Courses in the Faculty of Theology, 2018-19

### *Where Is The Timetable?*

Look online at [www.huronuc.ca](http://www.huronuc.ca) on the page for your particular degree ([MDiv](#), [MTS](#)).

The Timetable is also attached to the end of this document.

Course outlines for each course will be available closer to the end of August. However, if you want to get an idea of what the course is like, take a look at the linked description in last year's 2018-19 timetables still online.

MDiv and MTS students normally take courses beginning with "5." Courses beginning with 1 through 4 are considered bachelor's courses. Courses beginning with "9" are graduate MA courses. It may be possible to get special permission to take these non-5000-level courses.

### *What Courses Should I Take This Year?*

#### **Part Time vs Full Time—How Many Courses Should I Take!?**

1 to 6 half-courses taken during the 2019-20 school year makes you a part-time student. 7 or more half-courses makes you full-time, with 10 half courses over the year being the normal full-time load. Courses in the Faculty of Theology are half-courses; i.e., lasting one term. If you need to be full-time, you should have chosen at least 7 half-courses in September for the school year, or else the computer will drop you back to a part-time student. (You can change second term courses later in the fall, if you need to.)

Summer courses are occasionally, but not normally, scheduled.

**Tuition note:** A student is taking 7 half-courses per year will have full-time academic status but will be charged the per-course fee for both tuition and ancillary fees from the part time fee schedule. They will also be charged the Bus Pass and Health and Dental Plan. Tuition details [are here](#).

## New Students and those still completing first-year courses

Listed on the next page are recommended courses for first year students. Taking these courses first should give you the prerequisites you need to continue through your program. Call the theology office if you have questions.

## Returning Students

Pick your courses by looking at the timetable, while considering your degree's requirements. Clicking on the number of the course takes you to its official calendar description including any prerequisite (previously completed) or antirequisite ("may not also take") courses. If a course outline/syllabus is available for this year or last year, it will also appear on the Faculty of Theology timetable.

## Degree Requirements

You can see what courses are required in your degree by using a Map (see next section), or you can check online under your degree's web page:

[MDiv \(see The Quick Facts > MDiv Degree Requirements\)](#)

[MTS \(see Master of Theological Studies Degree Information >pick General or Concentration\)](#)

Should you ever wish to request any course substitutions, please send details of your proposal (reason, detailed course outline) to the Faculty of Theology office well in advance of the last day to add a course.

## Map of Your Degree

A map of your degree is available. You can check off each course, as you complete it, and easily see what courses remain to complete. The map also contains official descriptions of all courses in the Theology Calendar. Therefore, it's a good place to find out what prerequisites may be required for your courses. It's recommended that you consult on how you've filled out your map, in person, in the Faculty of Theology office from time to time.

Get an [MTS map here](#). Get an [MDiv map here](#). Or ask in the Faculty of Theology office for a paper one.

## Important Notes Regarding Some 2019-20 Courses

Please  
note!!

**Homiletics 5204a.** You might have some difficulty signing up for this course online because of prerequisite issues. If you want to take this course, let Sandra Rice know by email ([srice@uwo.ca](mailto:srice@uwo.ca)), and we'll sign you up for it manually.

**Important Note Regarding Pastoral Theology 5305a (Theological Reflection).** Please note this course IS offered this year (2019-20), but will NOT be offered the following year.

**Important Note Regarding Liturgics 5301a (Liturgical Leadership).** Please note this course is NOT offered this year (2019-20) but will be offered the following year.

**Religious Studies 5223a (Muslim Spiritual Care & Chaplaincy).** Please note this course meets on an unusual schedule, Fridays, 3:30-8:30 pm, only these specific days: Sept 6, 20, Oct. 4, 18, Nov. 1, 15, and 29. (Western's schedule will make it appear that the course meets every week, but this is not correct.)

Please  
note!!

**Arabic 1070a (Quranic Arabic for Beginners) and Arabic 2080b (Intermediate Quranic Arabic):** Although these courses use a bachelor's number, MDiv & MTS students may take it for credit. If you have any difficulties registering, just email [srice@uwo.ca](mailto:srice@uwo.ca).

### **Other Bachelor's courses which appear on the [online timetable](#):**

You need to okay taking the course as a master's student with the instructor & Dean, but if okayed, the following courses can also be available to MDiv/MTS students:

**Religious Studies 3030g (Origins of Religious Violence).** Description is [here](#).

**Religious Studies 2295a (Holy Ground: Sacred Space in Public Spaces).** [Description here](#).

**Religious Studies 3450g (Judaism & the Holocaust).** Description is [here](#).

Please  
note!!

**Other Problems Registering:** Sometimes the computer insists that you complete the first-term prerequisite before you can sign up for the second-term follow up course. But we want you to sign up for **all** your courses by September if possible. If you can't get into a course because of this problem, email [srice@uwo.ca](mailto:srice@uwo.ca), and we'll put you in manually if we can. If the computer insists that the course you want is full, email [srice@uwo.ca](mailto:srice@uwo.ca), and we'll see if this is actually true! If there appears to be two courses you want to take at one time, let us know, and we'll see if anything can be done if enough people are in the same boat.

### **Letter of Permission/Taking Courses Outside of Huron/Western**

Should you be interested in taking a course at another university, please send the details (course outline, school to be offered at, etc.) to the Theology office for approval. We will tell you whether to go ahead, and, depending on the time of year in which you wish to take the course elsewhere, let you know how to go about signing up for the course. Details about obtaining a Letter of Permission for schools outside of Western (except for Toronto School of Theology schools), [are here](#). For Toronto School of Theology schools, look [here](#) for instructions, and contact the Theology office with course details about the course you are interested in taking. For St. Peter's Seminary courses at Western, please send the Faculty of Theology office the course outline or a link.

### **Independent Studies**

You may complete an elective course by organising an Independent Studies course with a faculty member where you will study further in a subject area on a topic not normally offered at Huron. Enquire in the Theology office for policy and form. Start well ahead of the deadline to add a course. Faculty are limited in the number of Independent Study courses they may choose to offer.

### **Course Audits**

If you wish to register to sit in on a course without doing assignments/exams/classwork, then you will need to get written permission from the faculty member involved, BEFORE you attend any classes. Not all courses allow audits. Bring/send the faculty member's written permission to the Faculty of Theology office for Dean's permission and in order to sign up on paper, by the deadline to add a course. With regular attendance, you receive a "grade" of AUD on your transcript.

## **Can I Change My Choices? & Deadlines to Add and Drop**

You'll need to pick courses for both terms, so that you have sufficient courses to be a full-time student, for instance, and so that faculty will know if there are sufficient registrations to hold the class, and to order sufficient texts, etc. You can change your courses by dropping and adding right up to the deadlines below, assuming room in the courses.

### ***Deadlines to add/drop for Fall 2019:***

Last day to add a first-term course:	Friday, September 13
Last day to drop a first-term half-course:	Tuesday, November 12 (without academic penalty)

### ***Deadlines to add/drop for January 2020:***

Last day to add a 2 <sup>nd</sup> term course:	January 10
Last day to drop a 2 <sup>nd</sup> term half-course:	March 7 (without academic penalty)

(Please note that these dates are for adding and dropping without academic penalty. There may be financial penalties. Please see tuition office for the pro-rated schedule of refunds.)

## ***Tuition & Fees***

[Tuition info](#) is available online on the Home page at "Money Matters." After you have registered for your courses, check to see the deadline for your tuition payment. If you have received notification of Financial Aid from Huron, this amount will be credited toward your Huron account. Bursaries from the Diocese of Huron will this year be sent directly to you. Please contact Alycia Armstrong (studentbilling@huron.uwo.ca or 519.438.7224, ext. 861) with any questions regarding tuition, due dates, or amount owing, etc. [Your Online Statement of Account](#) will show you your personal tuition statement at Huron.

## *And Finally, Web Registration!*

*Those who are returning students can skip to Step 3.*

### **Step 1**

#### **Student number and Access Code.**

Contact Faculty of Theology office by phone if you are a new student and do not have this information, 519.438.7224, ext. 289, or, if the office is closed, contact the Registrar's office, ext. 365.

My Access Code \_\_\_\_\_

### **Step 2**

**Activate your Western Identity** (activates ability to register, gives you your email address and your Western password.)

o Go to [The Western Identity Manager page](#)

Please complete the following steps to activate your Western Identity:

1. Enter your Student Number and Access Code and click "Submit".
2. Read the Acceptable Use Agreement and click "Accept".
3. **A one-time use password will be generated for your account and displayed**

**on the screen for 60 seconds. Write this password down quickly.** \_\_\_\_\_

o **NOTE:** The one-time use password generated will only work to log in to Western Identity Manager.

4. Log in to Western Identity Manager with your one-time use password.

**You will be notified your one-time use password has expired.**

5. Enter a password that you can remember and click "Change Password".
6. Enter your challenge response answers.

Once you have activated your Western Identity, you may access your UWO e-mail account at [myoffice.uwo.ca](http://myoffice.uwo.ca)

UWO user ID \_\_\_\_\_

Email password: \_\_\_\_\_

Email address \_\_\_\_\_

All official correspondence from Western & Huron will be sent through this email account. **You are responsible for any information that is sent to your UWO email account**—please check it regularly!

## Step 3:

### **Register for Courses**

Log into your “Student Centre” at [student.uwo.ca](http://student.uwo.ca)

#### **How do I register for a course?**

##### **Adding a Class**

1. Under the Academic Section select ‘Enroll in Classes’.
2. Search for the class you would like to add by clicking on the search button (see class search for further info) OR enter the “class number” if you know it and click enter.
3. When the course you selected appears click “next” to put it in “Course Enrollment” Worksheet.
4. Scroll down to click Proceed to Step 2 of 3 and then click Finish Enrolling to add the course.
5. Review results for errors or warnings.
6. Select “My Class Schedule” to view course(s) successfully added.

##### **Dropping a Class**

1. Under the Academic Section select ‘Drop a Class’.
2. Select the class you wish to drop by clicking in the Select box.
3. Click Drop Selected Classes.
4. Click Finish Dropping.

##### **Swapping a Class**

1. Under the Academic Section select ‘Swap Classes’ from the ‘Other Academic’ drop down box and click the double arrows to continue.
2. Select the class you wish to swap out by choosing from the list in the ‘Select from your schedule’ dropdown box.
3. Choose a class to replace it using the course registration system. After making your choice, you will be presented with a page with the details on your swap.
4. Review the details of your swap and, once satisfied, click the finish swapping button. A page will come up with the information about your swap. The status heading will tell you if your classes were swapped successfully, or if there was an error.

##### **Class Search**

1. When you are searching for a class enter the first 3 letters of the subject in the box and click select subject (e.g., Psy for Psychology).
2. When the options appear click the select button next to the choice you are looking for (e.g., Psychol for Psychology).
3. Enter the course number if you know it or just click the search button. Open courses will appear for you to choose from.
4. Click the green arrow next to the course you would like to add and then select the section you want to add. From here go back to the “Adding a Class” instructions to continue.

##### **If there is an error:**

1. What does the error mean (it may just be a timetable conflict).
2. Check that you have the prerequisites and that you do not have any antirequisites.
3. Check that you have entered the appropriate course, tutorial, and lab numbers (the “class numbers” from the timetable).
4. Look in the timetable – is the course *restricted* or is *priority* given to a designated group of students (e.g. priority to MIT students).

EMAIL [SRICE@UWO.CA](mailto:SRICE@UWO.CA) if you are having difficulties!  
Don’t take the computer’s “word” that the class is full, etc.  
Please check!

##### **Errors you might encounter:**

The computer may claim you don’t have a prerequisite course (sometimes that is because you are taking the required prerequisite in term one.) Also, Homiletics 5204a asks for a prerequisite which doesn’t exist, but should be Biblical Studies 5110a.

If you get an error or even a “full” notification, contact the theology office to get into the classes. If the class appears to be full or doesn’t exist yet, DEFINITELY contact the theology office, and we will try to get you in manually!

## *Other useful information*

### **Services for Students with Disabilities**

Students who wish to request academic accommodation must do so as soon as possible after they have registered in courses. The need for academic accommodation is never assumed by the University, as students' needs vary with changes in their conditions, the development of coping strategies, and various course requirements. Accordingly, students must indicate all new courses for which accommodation will be required by formally requesting accommodation. Requests should be made during July and August for the September to April terms and in April or May for the summer terms. Later requests will be considered; however, accommodation may not be arranged in time for the first set of tests and examinations.

Requests for academic accommodation are made through [Student Accessibility Services \(SSD\)](#) on Main Campus.

### **Accommodations for Religious Holidays**

When scheduling unavoidably conflicts with religious holidays which 1) require an absence from the University or b) prohibit or require certain activities making it impossible for the student to satisfy the academic requirements scheduled on the day involved, no student will be penalised for absence because of religious reasons, and alternative means will be sought for satisfying the academic requirements involved. If a suitable arrangement cannot be worked out between the student and instructor, s/he should consult the student's Dean. It is the responsibility of such students to inform themselves concerning the work done in classes from which they are absent and to take appropriate action.

**If a student needs accommodation for either of the situations outlined in paragraph one above, or is unable to write examinations and term tests on a Sabbath or Holy Day in a particular term,** the student shall give notice in writing to his or her Academic Counselor as early as possible (no later than November 15th for December mid-year examinations and March 1st for final examinations - i.e., approximately two weeks after the posting of the mid-year and final examination schedule respectively). In the case of mid-term tests, such notification is to be given in writing to the instructor within 48 hours of receiving the date of the mid-term test (normally found on the course outline). Mid term test dates are usually found in the course outline handed out on the first day of classes. The instructor(s) in the case of mid-term tests and the Academic Counselor in the case of December mid-year and Spring final examinations, will arrange for special examination(s) to be written at another time. In the case of mid-year and Spring-final examinations, the accommodation must occur no later than one month after the end of the examination period. It is mandatory that

students seeking accommodations under this policy give notification before the deadlines, and that Faculty accommodate these requests.
